

JUNE 23-24 **AMATEUR RADIO** **FIELD DAY**

Amateur Radio Field Day is the single most popular on-the-air event held annually. More than 35,000 radio amateurs gather with their clubs, groups, or friends to operate from remote locations. Field Day is a picnic, a campout, a practice for emergencies, an informal contest, and most of all FUN!

It's a time where the aspects of Amateur Radio come together to highlight our many roles. It is an excellent opportunity to demonstrate Amateur Radio to the organizations that we might serve in an emergency, as well as the general public.
